It should also be included in your confirmation email - Check your SPAM folder if you cant find it and reply to it with a "YES, I got it" & move it to your main inbox, so it doesnt go to spam again.

We are so excited for you to get started and start crushing it on Instagram.
As we mentioned in the video, it is VERY important that you do these steps in order if you want to see results.

You will see that we have ***temporarily restricted access*** on some of the sections.
They will become available once you finish the previous section.

We are committed to your success...

So if that means being the bad guys for a little bit and force you to not see all the lessons at once so you can absorb the information better, take action & see success faster, then so be it :) :P

DO NOT MESSAGE ME OR ANY OF MY TEAM either on FB or email about this.
THE QUESTION WILL BE COMPLETELY IGNORED

- How to Contact Support

You can message us to hello@onlineceos.com or post in our Facebook group Collective

FeedBack

Entrepreneurs Online.
We try to get back to you as soon as possible.
The best way to get your questions answered is really by posting in our FB group (in the student group is even better - if you got also access to it)

www.getwsobo.com

DO NOT MESSAGE ME OR ANY OF MY TEAM MEMBERS ON FACEBOOK
These will be ignored as our facebook inbox is not the place to answer any support tickets.

For questions on the content, homework, or needing help to get results with the training, please post them directly to the Student Group (if you have the full course) so all the students can benefit from the discussion. Students are NOT allowed to private message me (or any of my team) about the course content & their accounts unless they are an ongoing private coaching client.

- IF YOU GOT THE FULL COURSE (Both Mastery & Monetization)

Check the tab on the left hand side that says "Complete Student Road Map + Support Group". You will find access to the Private Support & Group Coaching group there.

If you didnt get the full course, the tab will be empty.

You also get access to all the different bonuses that were advertised + A few others that are special gifts & surprises ;)

If you didnt get the full course and want to get access to the student group, just click the tab to the left that says "Get Full Course" and enter the coupon code

INSTAGROWTH COURSE.

You will receive access to the entire course + all the bonuses + the support group.

- Importance of Student Group

The course lays everything out, but something you need some questions answered, people to help you fill in the gaps, keep you motivated, and help you when you are stuck.

I recommend you to use our student group heavily as we are all in this together! :)

We have similar goals and challenges that blocks us from getting there faster.

Post your wins, losses, questions and everything you need or want!

We cant wait to work together on this path to explosively grow & monetize your Instagram! <3 :D
